Frame 21

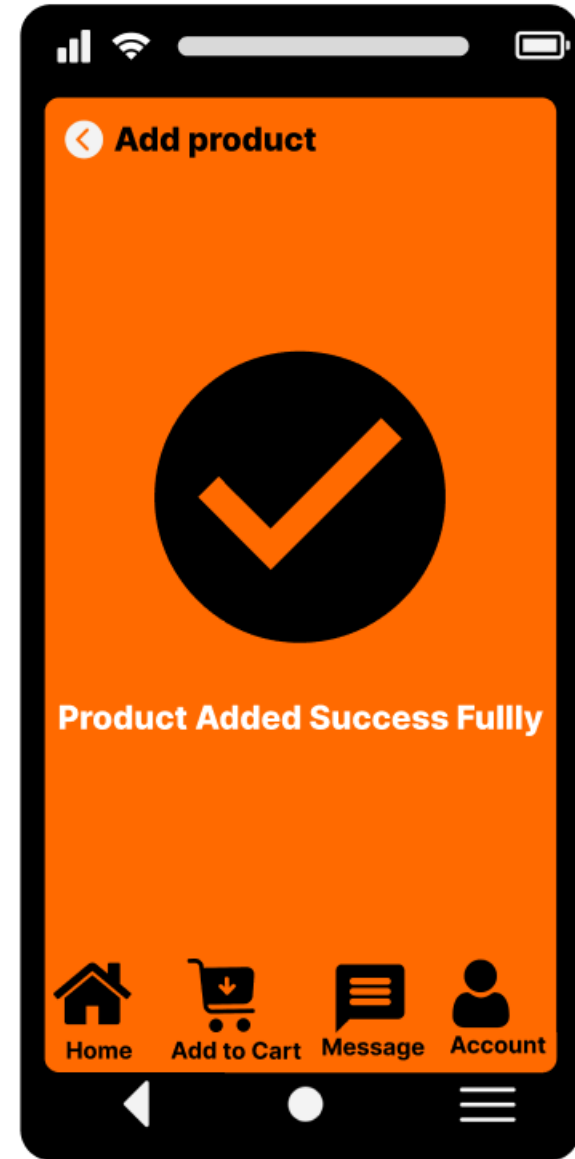

Mobile app interface for adding a product. The screen has an orange background. At the top, it says "Add product" in white. Below this is a large icon of a house with a plus sign. Underneath the icon, it says "click on button to add product" in white. There is a small icon of a person's head and shoulders. Below this is a white input field for "Name". Below that is a white input field for "Description". Below that is a white input field for "Price". To the right of the "Price" field is a label "category" and a dropdown menu labeled "Type" with a checkmark icon. At the bottom is a large black button with the word "Submit" in white.

Frame 27

Mobile app interface for the Agreement screen. The screen has an orange background. At the top, it says "Agreement" in white. To the left of the text is a document icon, and to the right is a plus sign icon. Below this is a large black box with white text: "If you want to add your product on rent you have to pay some money for the user security otherwise can not add products in this application". Below the black box is a checkbox labeled "Accept Term and Policy". At the bottom is a large black button with the word "Proceed" in white.

Frame 28

Mobile app interface for the success screen. The screen has an orange background. At the top, it says "Add product" in white. Below this is a large black circle with a white checkmark. Below the circle, it says "Product Added Success Fully" in white. At the bottom is a navigation bar with four icons: a house (Home), a shopping cart (Add to Cart), a speech bubble (Message), and a person (Account). Each icon has its corresponding label below it.
